

DEMOCRAT AND SENTINEL.

INDIAN SUMMER.—This most delightful weather is at present reigning supreme on the mountains. It is perfectly enchanting. The air is balmy—the sun gorgeous—the faded leaves of Autumn bedeck the forest with a thousand hues, and one dreams the hours away in a calm contentment that is indescribable. And then such nights! Aye, they, too, are grand! The moon glimmers through the Heavens, peacefully and quietly as the Gondolas of Oriental regions float on the silvery waters. Not a cloud can be seen—nor a spot darkens the azure sky. We could never tire of such beauty, and if any season can bring the soul nearer to Heaven—can make man forget that he is "of earth, earthy," it is that which we now enjoy.

REDUCTION OF FARE.—Mr. Hamilton has reduced the fare between Jefferson and Ebersburg, in his excellent Hacks, to fifty cents. The completion of the Plank Road has enabled him to do this. By the way, we know of no more pleasant ride than this over the Plank Road. The coaches are well cushioned, easy and comfortable; the horses of the very best kind, and the drivers real good-hearted, accommodating fellows, and perfect masters of their business. It is a pleasure to travel in such conveyances.

TOWN HALL.—Some of our enterprising citizens are talking of building a Town Hall. We hope it may not all end in talk, for a building of this kind is needed here. It could be erected at a reasonable cost, and if the Orders of Odd Fellows and Sons of Temperance would lend a helping hand in the matter, as they should, it would be erected. Keep it in agitation, and another summer will find a Hall here which will be an ornament to the town.

DEPLORABLE.—Very unfortunately for us but fortunately for the public, no body has been killed or seriously injured in this neighborhood this week, consequently we have nothing in the shape of an accident to interest our readers. They will have to excuse us this week, and we will get up some kind of a "smash" before our next—if we can do no better we will try a "broadly smash."

CONCERT.—The Germans whose music stirred our soul last week, gave a concert in the Academy Building last Tuesday evening, which was attended by two ladies, six gentlemen and eleven boys. They fiddled delightfully and the audience stamped enthusiastically, and everybody seemed satisfied but the musicians themselves.

HYDRAULIC RAMS.—We ask the attention of our readers to the advertisement of Messrs. HERNICAME, JONES, and POTTER. These gentlemen are prepared to put in operation Hydraulic Rams which they will warrant to work well. This is a subject which should interest the public at this time, far as there is a prospect of having a prohibitory liquor law it would be well to secure an abundant supply of water.

LOOK OUT FOR THEM!—We publish the advertisement of Messrs. Evans and Hughes in today's paper. They have received a first-rate assortment of Ready Made Clothing, and they are just the men to sell it.

Their stock is good and large and fine, Their fashions every grace combine, Their workmanship can not be beat, And they'll rig you out both cheap and neat. Then when you hear this glorious news, Call at the store of Evans & Hughes, For a little cash they'll dress you out In vest, pants, coat or round a bout.

DR. GUYSSOT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA IS A SUPERB REMEDY FOR Hereditary Taint.

Thousands of individuals are cursed with grievous complaints, which they inherit from their parents. The use of the Yellow Dock and Sarsaparilla will prevent all this, and save a vast amount of misery, and many valuable lives, for it thoroughly expels from the system the latent taint, which is the seed of disease, and so takes off the curse by which the sins or misfortune of the parents are so often visited upon the innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by descent, and children of parents that have at any time been affected with Consumption, Scrofula or Syphilis, owe it to themselves to take precaution against the disease being revived in them. Guyssot's Extract of Yellow Dock and Sarsaparilla is a sure antidote in such cases.

TRY BARRELS INDIAN LINIMENT.—It is clear and pleasant to use. Warranted all it is recommended or money paid back. Prepared by H. G. O. For sale by Fred Kittel, Ebersburg Pa., and by Hughes & Wherry, Jefferson Pa.

PROSPECTUS OF THE "BLAIRSVILLE RECORD." The establishment of Democratic paper in the Borough of Blairsville, Indiana Co. Pa., has been long desired by the Democracy of Indiana and Westmoreland Counties, and the encouragement that has already been extended, has induced the subscriber to undertake the publication of such a journal. He therefore, contemplates to receive the publication of the "BLAIRSVILLE RECORD," and will endeavor to make the paper interesting, not only to the political but general reader, and hopes that in the enterprise he will be sustained by the public. Believing that our State and National prosperity has arisen from the successful administration of public affairs by the democratic party, and the firm establishment of the principles and policy of that party, with respect to the happiness of the people, he will faithfully endeavor to sustain these views, and also adhere to the regular established usages of the party. Deeming it unnecessary to say more on this head, he only asks to be judged by the course of the paper. The materials of the office will be entirely new, and the paper will be of large size, and not inferior to any published in the interior of Pennsylvania. Considerable expense will be incurred, he therefore most respectfully solicits a share of the patronage of the public.
